1972 - 2010 Herbert's " The Flower " is a famous example of a flower straining toward heaven, he employs no satellite imagery of opening eyes; indeed he only twice uses the word ope in all of his poems, neither time referring to flowers, and he never uses the adjective heavenward. Arranged alphabetically by title, books first, followed by individual essays. It is interesting to see how such similar subjects are treated in two different mediums by the same author. AttheBathsofRosenlauri. Is it a basis of intelligence or just a molecular quirk drawing me to the edge, my fingers going numb. Again, in the space of a Vespers East & West: Selected Poems lines, readers find a shuffling of parts that points toward the larger whole—a more serious exploration of the human condition. It, too, is a persona poem in the voice of a soldier.
