The year after Zuckerberg bought the house, he and his longtime girlfriend, Priscilla Chan, held their wedding in the back yard, which encompasses gardens, a pond, and a shaded pavilion. If history teaches anything, it's that the world does not need to look as it does today.

It's the loss of that kind of hope which leads people to believe "there is no alternative." Academic studies routinely document the power of major private corporations to shape legislation, influence regulatory agencies, dominate important Executive Branch decisions, and influence election patterns and the media.
