Es para su provecho. To a late period, it was usual with the nobles, in this, as well as in other countries of Europe, to entertain in their houses a fool, for their diversion, who often took the liberty of re-proving their masters for their follies, and in much freer language than any other persons were permitted to use. Le echo agua a la cara.

The stakes might be removed, but the charcoal remaining, would forever shew
Hence, perhaps, arise the reluctance with which they sometimes attempt, and the facility with which they frequently relinquish, the study of a foreign language. It may be translated by an expletive or omitted entirely. Sus hijos reclamaron la mitad de sus bienes.
