It is very important not to think that this non-doing is synonymous with doing. So she may leave that job, or company, or even that profession.

Learned Helplessness The meditation traditions are very old and very well practiced. It reminds us of our options. Wakefulness is often the first casualty.

From such experiments, conducted over and over again, may come a new sense that is about stopping and being present, that is all. The younger one is looking somewhat quizzically at the older one, who is turned toward him and saying: "Nothing happens .
