Ridgway XXXV. As a result, the association of this coin with King Diodotus has rarely been accepted by other numismatists. Please create a new list with a new name; move some items to an existing list. One was auctioned from his collection in ; the other now lies in the forgery trays of the American Numismatic Society. During the next decades, the French and others shifted their explorations to safer areas north and west of Afghanistan, ironically in regions such as Bukhara that had been so treacherous during the Great Game. Bayer put Eucratides II's death in about B. Thus, only a sampling of ancient literature was ever handwritten in sufficient copies to escape total eradication over time.
