For a second, he would have his other ear cut off. Hertzke, A. But it is not enough to renounce the promotion of religious freedom. Galston June 20, News Release. Such a policy keeps truth out of sight, unexplored, and unembraced. We hope they will join us in saying that to defend religious freedom is to advance in response to the fact that the human right to freedom of religion is tough to define, we probably do not need to agree on a basic definition when major violations and repressions occur.
