The discovery of the body of a young woman in the Seine was in itself unremarkable, and yet her identity and the circumstances surrounding her death haunted the popular imagination for nearly a century, until this photograph came to light in Latin America. I'm intrigued by it. That'sabitnice, isn'tit? If the slabs have nothing on them, visitors leave the building disappointed, feeling as if they had been cheated, and murmuring between their teeth; but when they are fairly well occupied, people crowd in front of them and treat themselves to cheap emotions; they express horror, they joke, they applaud or whistle, as at the theatre, and withdraw satisfied, declaring the Morgue a success on that particular day.
