Schnase is the author of Five Practices of Fruitful Congregations, a best-selling book on congregational ministry that has ignited a common interest among churches and their leaders around its themes of radical hospitality, passionate worship, intentional faith development, risk-taking mission and service, and extravagant generosity. Ingles y a.

The notion of a limpieza cleansing formed an essential part of the rebel strategy in religious matters, Basque nationalists, who were for the most part Catholic, generally sided with the Republicans, although the PNV, Basque nationalist party, was reported passing the plans of Bilbao defences to the nationalists, in an attempt to reduce the duration and casualties of siege.
