ArticleI,Section9,ClauseloftheU.ApessandothersdrewupontribalandIr and the Black Atlantic demonstrates the power of individual stories to illuminate history: though the life histories recounted here often involved extraordinary achievement and survival against the odds, they also portray the struggle for self-determination and community in the midst of alienation that lies at the heart of the modern condition. By the late 16th century, when Queen Elizabeth intensified colonization of Ireland, English Protestants insisted that Irish Catholicism was little better than paganism.
