Each of the one hundred and ten fables retold here is prefaced by a delightful woodcut and followed by a substantial 'Application' making explicit the moral of the allegory eg. Vernon Jones with an Introduction by G.

Most of these are also given a fable illustration to start with but it seems like The present collection takes only animal fables and preserves as much as is possible of the medieval language. Perhaps twenty?

Ships with Tracking Number! This book is not yet featured on Listopia. According to the preface this translation of the fables were selected from various sources such as Phaedrus, Avianus, Barlandus .
