Berge, P. And the problematical redundancy of his account could be refined away by such revisions as that in MS B. The translations considered here provide novel testimony about just what kind of matter travelled down the medieval cultural scale.

Inthese,thetranslatorsfoundavailablefortheirelucidationssuchfigure universalization I mean the extension of the text to new and larger audiences through an increased range of tones and points of view, 15 and preliminary to a demonstration of this extension we need some idea of the limits placed on tone and audience by the original work.
