A few, in Syria, are non-Islamist, but rather nationalist groups fighting to unseat the Assad dictatorship and build a new republican Syria in its place. Right next door, Lebanon, a society that has been through the orgiastic bloodletting of civil war, clings as doggedly to civility, pluralism, tolerance, and a celebration of life. And Morocco continued its experiment in accommodation between a powerful monarchy and a government led by the moderate Islamist PJD party. Although a new government has been formed, the Houthi rise has also caused a setback. The eruptions of unleashed decades of pent-up tensions and dysfunction in the political, socioeconomic, and cultural spheres; these dynamics will take many years, if not decades, to play themselves out and settle into new paradigms and equilibriums. New Password. Their one-year rule created a popular backlash and a resurgence of secular nationalist sentiment, which defense minister Abdul-Fattah el-Sisi rode to a large electoral victory.

This only occurred after two devastating world wars and genocide in the twentieth century. Islamists also lost significant ground in the elections after initial optimism that with the rise of the MB in Egypt and Ennahda in Tunisia they too would rise to dominance in the

Kuwaiti parliament. It remains to be seen whether he will mend fences with Saudi Arabia and the UAE over his refusal to recognize the new government in Egypt; even Qatar has softened its position on the issue.
