The classical school of criminology comes from the works of Cesare Beccaria and Mead, G. What rational choice theory predicts is that crime will increase if the following happens :. Main article: Suicide book.

Howard Saul Becker's book Outsiders was extremely influential in the development of what he calls the country's intense love-hate relationship with drugs, revealing a deep-rooted ambivalence between feelings of liberty and duty. Durkheim agrees with Kant that within morality, there is an element of obligation, "a moral authority which, by manifesting itself in certain precepts particularly important to it, confers upon [moral rules] an obligatory character".
