I'm looking forward to reading it again and taking notes to help my preschooler with her eating habits in Written by Pantley, a mother of four as well as an author of six other successful parenting books, it clearly indicates the various issues that parents will face when handling picky eaters. OverDrive uses cookies and similar technologies to improve your experience, monitor our performance, and understand overall usage trends for OverDrive services including OverDrive websites and apps. SortedBy:TopMatches. There were a ton of practical suggestions in the book to cover all kinds of families and situations. Yet this was short, with good recipes at the end.

It is easy to read, trim with only the most pertinent information that is high. Congratulations, you have qualified for free shipping from this seller.
